Little Brown Jug Future wager will be two (2) separate wagering pools during the months of August and September with the winner of each pool being determined by the official first place winner of the Little Brown Jug on September 21st, 2017. Each pool will remain open for a period to be determined by the association, but in no event less than three (3) days nor more than ten (10) days. The two (2) pools shall each be open for the same length of time. The starting and closing date of the wager will be determined by the association and will be promoted to the public. Each Little Brown Jug Future wager shall be win wagers only and each pool shall be separate and independent calculation and distribution of winning wagers will be made following the official results of the 2017 Little Brown Jug. The minimum wager shall be one dollar (\$1.00).

Each of the two (2) pools shall be comprised of up to fifteen (15) betting interests. The top fourteen (14) betting interests shall be determined by the Delaware County Fair Associations handicapper and listed alphabetically. The number fifteen (15) betting interest shall represent the mutuel field, which will include all other runners not listed in numbers one (1) through fourteen (14). The fifteen (15) betting interests will appear in the daily race program with morning line odds on each day the wager is offered. Following the close of each month's Little Brown Jug Future wagering pool, the final odds and /or probable payoffs will be listed in the racing program and released to the media.

No refunds will be issued. All wagers are final once the patron has left the window. Career-ending injuries, death and failure to start are not subject to refunds. If the Delaware County Fair Association becomes aware that a horse suffers a career-ending injury or becomes deceased after the numbers (1) through fourteen (14) are printed, but before Future Book Wagering has begun, the number shall be scratched and no wagers shall be accepted on that horse. That scratched horse will become part of the field number fifteen (15). If the Delaware County Fair Association becomes aware that a horse suffers a career-ending injury or becomes deceased after the numbers one (1) through fourteen (14) are printed, and after Future Book Wagering has begun, wagering on that number shall be suspended. No refunds will be issued on the suspended number.

Notwithstanding the above, in the event the 2017 Little Brown Jug is not run or does not produce an official winner, all wagers shall result in a refund.

Also, in the event that there is a coupled entry or mutual field in the 2017 Little Brown Jug, for the purpose of the Little Brown Jug Future wager, each entry or mutuel field shall be considered a single betting interest.

All calculations and payoffs for the Little Brown Jug Future wagers shall be governed by the Ohio State Racing Laws and Rules. Each pool shall be separately and independently calculated and distributed. Takeout shall be deducted from each gross pool as stipulated by law. The remainder of the monies in the pool shall constitute the net pool distribution as payoff on winning wagers.

The amount wagered on the betting interest which finishes first is deducted from the net pool, the balance remaining being the profit; the profit is divided by the amount wagered on the betting finishing first, such quotient being the profit per dollar wagered to win on that betting interest. The net pool shall be distributed as a single price pool to winning wagers in the following precedence, based upon the official order of finish:

- (a) To those whose selection finished first; but if there are no wagers, then
- (b) To those whose selection finished second; but if there are no wagers, then
- (c) To those whose selection finished third; but if there are no wagers, then
- (d) The entire pool shall be refunded on Win wagers for that contest.

If there is a dead heat for first involving:

- (1) contestants representing the same betting interest, the pool shall be distributed as if no dead heat occurred or
- (2) contestants representing two or more betting interests, the pool shall be distributed as a profit split.
