

## **Lady Pace Honoree To Help America Cancer Society**

Delaware, OH—More than \$7,000 has been donated to charity through the efforts of Lady Pace honorees during the past two years at the Delaware County Fair

Terry Todd Millhoan, who is the 2010 Lady Pace honoree, will accept donations for the American Cancer Society in a unique way. Terry, like Gail Cunard in 2008 and Polly Sidley in 2009, will wear a tiara throughout the day on Thursday. People at the fair will make bets with her that she will wear the tiara the entire morning and afternoon on Jug Day. If she keeps the tiara on the whole day, the money will then go to the American Cancer Society.

Terry's late husband William Millhoan died of cancer in 2008.
